Dear Valued Customer,

In response to your request for a Material Safety Data Sheet (MSDS) on our HazMat Smart-Strip, the following information is provided.

The HazMat Smart-Strips are considered to be an “article” under 29 CFR 1910.1200—OSHA Hazard Communication. An “article” is defined as being a manufactured item: (1) which is formed to be a specific shape or design during manufacture; (2) which has end use functions dependent in whole or in part upon its shape or design during end use; and (3) which does not release, or otherwise result in exposure to, a hazardous chemical under normal (intended) conditions of use.

Thank you for this opportunity to be of service to you. If you have any further questions, please contact HazMat Smart-Strip at 561 738-7086.

Sincerely,

Michael Reimer
